

UC **SANTA BARBARA**

Office of the Chancellor

August 10, 2018

Dear Members of our Campus Community,

I am writing with regard to our campus Finance and Resource Management, which coordinates campus financial planning and operations. As you know, Assistant Chancellor Todd Lee retired on July 1, 2016. Since then, Chuck Haines has been serving as our Acting Assistant Chancellor for Finance and Resource Management. During the last two years, Chuck has proven to be an effective leader in this unique role on our campus in managing the complexities of Finance and Resource Management and interacting with all campus components.

Upon consultation with our administrative colleagues, Academic Senate chair, Office of Equal Opportunity, and our colleagues from UCOP, I am pleased to appoint Chuck Haines to continue to serve as Assistant Chancellor for Finance and Resource Management, effective July 1, 2018.

We are grateful to Chuck for his long-standing service to our campus and his excellent work during the past two years. Please join me in congratulating him for continuing to serve our campus in this important role.

Sincerely,

Henry T. Yang
Chancellor
