Dear Members of our Campus Community:

I am pleased to announce that the search advisory committee for our next Associate Vice Chancellor and Dean of Undergraduate Education has now been formed and that Professor Aaron Ettenberg has graciously agreed to serve as chair of this committee. I thank all of those who have been part of the consultation process in the formation of this committee. I also thank Professor Ettenberg and each of our committee members in advance for their individual commitments to help our campus community with this important task.
